The above two (2) sections regarding examinations are non-applicable:

- **There is no license examination**
- Registered Nurses (RNs) by dint of their RN license require no other license/certification to be employed in a hemodialysis facility.
- Students, either Patient Care Technicians (PCTs) or Licensed Vocational Nurses (LVNs) are required to have additional certification to be employed in a hemodialysis facility. The additional certification is **independent** of the American Dialysis College (ADC). Following successful completion of the ADC training program, it is the students' responsibility to follow-up on obtaining state certification by passing a state certified hemodialysis exam and then applying to the state of California for the Certified Hemodialysis Technician (CHT) credential.
